What do you call a lesbian Eskimo? Klondike

A biker was riding along the beach when suddenly the sky clouded above his head and, in a booming voice, the Lord said, "Because you have tried to be faithful to me in all ways, I will grant you one wish." The biker pulled over and said, "Build a bridge across the Gulf to South America so I can ride over any time I want."

The Lord said, "Your request is materialistic; think of the enormous challenges for that kind of undertaking. The supports required to reach the bottom of the Pacific! The concrete and steel it would take! It will nearly exhaust several natural resources. I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that would honor and glorify me."

The biker thought about it for a long time. Finally he said, "Lord, I wish that I could understand my wife. I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothings wrong, and how I can make a woman truly happy."

The Lord replied, "You want two lanes or four on that bridge?"

A drunk stumbles into a baptismal service on Sunday afternoon down by the river. He walks down into the water and stand next to the preacher.

The minister turns and notices the old drunk and says, "Mister, are you ready to find Jesus?"

The drunk replies, "Yesh, Your Honor, I shur am!"

The minister dunks the fellow under the water and pulls him right back up. "Have you found Jesus?" he asked.

"Nooo, Your Highness, I shur dint!" says the drunk. The preacher then dunks him under for a bit longer, brings him up and says, "Now, brother, have you found Jesus?" "Noooo, Your Majesty, I shur dint!" the drunk slurs again.

Disgusted, the preacher holds the man under for at least 30 seconds this time, brings him out of the water and says in a harsh tone, "Sir, have you found Jesus YET?"

The drunk wipes his eyes and says to the preacher, "Are you sure this is where he fell in?"

There was a farmer who had four daughters. One night, he heard a knock at the door and found a young man standing there. The young man said, "My name is Freddy. I've come to pick up Betty. We're going out for spaghetti. I hope she's ready." The farmer thought that this was cute, so he let them go out. Pretty soon there was another knock at the door and another young man was there. He said, "My name is Vance. I've come for Nance. We're going to a dance. Is she ready by chance?" Again, the farmer thought this was cute and let them go. Soon, another knock on the door with yet another young man standing there. He said "My name is Moe. I'm here to get Flo. We're going to a show. Is she ready to go?" Again the farmer was amused and let them go. Once again, there was a knock on the door and a young man was standing there. He began, "My name is Chuck." The farmer shot him.

Two young lovers go up to the mountains for a romantic vacation. When they get there, the guy goes out to chop some wood.

When he gets back he says, "Honey, my hands are freezing!"

She says, "Honey, put them here between my thighs and that will warm them up."

After lunch he goes out to chop some more wood and comes back and says again, "Man, my hands are really freezing!" She says again, "Well, put them here between my thighs and warm them up." He does and again that warms him up.

After dinner he goes out one more time to chop some wood to get them through the night. When he returns, he says again, "Honey, my hands are really freezing!"

She looks at him and says: "For crying out loud, don't your ears ever get cold?"

Maria had just got married and being a traditional Italian, she was still a virgin. So, on her wedding night, staying at her mother's house, she was nervous. But her mother reassured her.

"Don't worry, Maria. Tony's a good man. Go upstairs and he'll take care of you."

So up she went. When she got upstairs, Tony took off his shirt and exposed his hairy chest. Maria ran downstairs to her mother and says, "Mama, Mama, Tony's got a big hairy chest."

"Don't worry, Maria," says the mother, "all good men have hairy chests. Go upstairs. He'll take good care of you."

So, up she went again. When she got up in the bedroom, Tony took off his pants exposing his hairy legs. Again, Maria ran downstairs to her mother. "Mama, Mama, Tony took off his pants and he's got hairy legs!"

"Don't worry. All good men have hairy legs. Tony's a good man. Go upstairs and he'll take good care of you."

So up she went again. When she got up there, Tony took off his socks and on his left foot he was missing three toes.

When Maria saw this, she ran downstairs. "Mama, Mama, Tony's got a foot and a half!"

"Stay here and stir the pasta," says the mother. "This is a job for Mama."

Once there was a beautiful woman who loved to work in her vegetable garden, but no matter what she did, she couldn't get her tomatoes to ripen. Admiring her neighbor's garden, which had beautiful bright red tomatoes, she went one day and inquired of him his secret.

"It's really quite simple," the old man explained. "Twice each day, in the morning and in the evening, I expose myself in front of the tomatoes and they turn red with embarrassment."

Desperate for the perfect garden, she tried his advice and proceeded to expose herself to her plants twice daily. Two weeks passed and her neighbor stopped by to check her progress.

"So", he asked, "Any luck with your tomatoes?"

"No", she replied excitedly... "But you should see the size of my cucumbers!"

A blonde teenage girl comes home from school and asks her mother, "Is it true what Rita just told me Babies come out of the same place where boys put their thingies?"

"Yes, dear," replies her mother, pleased that the subject had finally come up, and she wouldn't have to explain it in detail to her daughter.

"But then when I have a baby," responded the blonde teenager, "won't it knock my teeth out?"
